

Dear FCC,

I am writing because I wish to respectfully ask you to reject NAB's petition 04-160 and oppose HR 4026 for many reasons. One being, it is trying to limit XM's first amendment rights. Another is that I benefit from all of XM's channels including its traffic and weather channels. And lastly, I pay for these services! I don't get them free like the other broadcasters who are the ones that are behind this malicious petition. They are just jealous of XM radio. I love XM radio and all they have to offer to the point that, not only do I need them, it's all I listen to. Thank you for taking the time to read this and have a nice day.

Sincerely Yours,

Louis Rios
